

U.S. Patent Application No. 09/995,888
Amendment dated May 3, 2004
Reply to Office Action dated February 2, 2004

Amendments to the Specification:

Please replace the paragraph starting at page 6, line 15, and ending at page 6, line 20, with the following amended paragraph:

The present invention is also directed to filter cartridge assemblies including various powdered filtered media contained therein. The various powdered filter media can include those media described in U.S. Patent Application No. [] 09/996,505 to Wong, filed concurrently with the present application and entitled "Cartridges Useful in Cleaning Dialysis Solutions." (~~Attorney Docket No. 3192-002~~). The aforementioned patent application and all other patents and publications mentioned herein are incorporated in their entireties by reference herein.
